BOARD POLICY

There is established an Executive Council to advise the Board on system issues and policy development. The Executive Council is composed of the Chancellor and College Presidents. The Executive Council is authorized to establish other system-wide councils as needed and has established the Council of Chief Academic Officers and the Council of Chief Business Officers.

PROCEDURE

1. The Chancellor will chair the Executive Council. The System Academic Officer will chair the Council of Academic Officers and the System Business Officer will chair the Council of Business Officers.
2. Each member of the council will contribute items to the meeting agenda.
3. The Board will be advised of Council meeting agendas and may refer matters to the Council for recommendation.
4. Time and place of Council meetings will be mutually agreed upon by Council members.
