ACTION: Approve the Personnel Recommendations submitted by the State Colleges

Board Policy 5021 (as revised 11/11/95) states that all full-time faculty and professional staff appointments must be reviewed and recommended by the Executive Director and reported to the Board for approval.

Appointments of support staff, all part-time appointments (less than .75 FTE), overload assignments and summer school contract extensions for full-time faculty must be approved by the Presidents and reported to the Executive Director. Once each semester the Executive Director shall provide a summary report to the Board on all full- and part-time faculty, professional and support staff appointments in the System, as well as all vacant positions that have been budgeted.

The attached recommendations involve adjustments to workload or salary, leaves of absence, separations, reappointments, retirements and deaths. In some instances, personnel recommendations will be sent under separate cover and discussed in closed session as permitted by the Public Meeting Laws, Article XIV, Section 84-1410 of the Nebraska Revised Statutes. Any action to be taken regarding executive session discussions must be conducted in open session according to the mandates of the public meeting statutes as outlined in Sections 84-1408 to 84-1414.
