ACTION: **Approve Authorization for Chancellor to Sign Construction Contracts for Emergency Roof Repairs and Replacements for Peru State College**

Peru State requests authorization to enter into a contract, or contracts, for emergency roof repairs and replacements on various buildings throughout campus.

In June of this year, a destructive hailstorm hit Peru State College and the surrounding area, creating extensive damage. Peru State has worked with insurance representatives to file claims, evaluate roof damage, and to arrange for repairs and replacements on more than two dozen campus buildings. The total roof damage for the College is approximately \$1.7 million, and that amount (minus deductibles) will be paid by insurance. Work to repair and replace the various roofs is anticipated to start immediately upon approval of this Board item.

The System Office and Peru State College recommend approval of the Authorization for Chancellor to Sign Construction Contracts for Peru State College.
