BOARD POLICY

Students should be encouraged to participate in student government and other student organizations. A student organization is defined as a group of students joined together in pursuit of a common purpose, guided by a constitution or charter and officially recognized by the College pursuant to this policy. Student organizations are distinct and separate entities from the Colleges.

Each of the Colleges shall have structured student organizations, including an organized student government, which shall be the principal entity for student participation in the decision-making process of the College. The Vice President responsible for Student Affairs will exercise authority over the conduct of all student organizations, including fraternities and sororities.

All student organizations shall comply with all applicable state and federal laws and regulations, Board policies and College rules with respect to the operation, activities, and membership of the organizations.

Only student organizations officially recognized by the College shall have the opportunity to access student activities fees with the approval of the Student Senate, and at the College’s discretion, access to College resources at a free or reduced rate as set forth herein. Student groups not recognized by the College as student organizations under this policy are subject to the same policies and procedures applicable to any other outside community member.

Each College shall have a written process for the recognition and discipline of student organizations consistent with this Policy.

In order for a student organization to be recognized by the College it shall have a minimum number of student members as established by the College; an advisor who is an employee of the College; and a charter agreement and/or constitution that is approved by the Vice President responsible for Student Affairs. The Student Senate shall have an opportunity to review charter agreements and constitutions of all student organizations seeking College recognition and make recommendations to the Vice President responsible for Student Affairs. In the event the decision of the Vice President responsible for Student Affairs regarding a student organization’s charter agreement and/or constitution is contrary to the recommendation of the Student Senate, the Student Senate may appeal the decision to the President.

In order to remain in good standing, each recognized student organization shall submit to the Vice President responsible for Student Affairs or his/her designee an annual registration on or before October 15th containing information required by the College, including, but not limited to, the following information:

Constitution/Charter Agreement

All new charter agreements and/or constitutions and any revisions to existing charter agreements and/or constitutions must be approved by the Vice President responsible for Student Affairs. Charter agreements and/or constitutions for recognized student organizations must comply with all applicable state and federal laws and regulations, Board policies and College rules, including the College’s non-discrimination policy. The charter agreement and/or constitution of an organization must affirmatively state that membership in the organization is open and the organization will not discriminate on the basis of race, color, national origin, sex, sexual orientation, gender identity, disability, religion, or age. An organization exempt under Title IX may maintain its single-gender membership and may modify the non-discrimination statement in its charter and/or constitution to reflect its exempt status.

Advisors

Each recognized student organization shall have an advisor who is an employee of the College.

Advisors may be assigned by the College to assist a particular recognized student organization; or, advisors may work with the recognized student organization in a volunteer capacity as service to the College, community, and profession, if approved as a volunteer by the Vice President responsible for Student Affairs. Advisors are presumed to be working within the course and scope of their employment when performing the duties of an advisor, regardless of whether they are working in a volunteer capacity.

The role of an advisor is to communicate with, guide, and assist the organization; attend organization meetings, events, and fundraisers; be knowledgeable of all policies that may impact the organization; and monitor compliance with Board and College policies and budgetary/financial guidelines established by the College and student government.

An advisor is not required to accompany a student organization while traveling. However, a student organization may request that an advisor accompany the student organization when traveling. A student organization may also be required by the Vice President responsible for Student Affairs to be accompanied by an advisor when traveling, if warranted by individual circumstances. All travel by an advisor must be approved pursuant to established Board and College rules and procedures.

The College is not responsible for finding a volunteer on behalf of the student organization. The volunteer would be a volunteer on behalf of the College subject to Board Policy 5025 for purposes of operating a state vehicle and required to satisfy all requirements set forth in Board Policy 7020. Approval of the volunteer is entirely within the discretion of the College.

No College or Foundation tax identification numbers shall be used on these accounts. Student organization funds held in such accounts do not belong to the College or Foundation and an accounting for those funds will not be included as part of the College’s or Foundation’s audit. Student organizations are financially and legally responsible for deposits to and expenditures from their accounts.

College employees including, but not limited to, student organization advisors may not be signatories on student organization bank accounts.

The Board acknowledges that this policy may not anticipate every possible issue that may arise with respect to fundraising activities. As a result, the Colleges have the right to impose reasonable restrictions and/or requirements with respect to the time, place and manner of fundraising activities.

Insurance

The Board of Trustees’ insurance coverage for each College does not extend to student organizations. Student organizations should conduct business with that understanding and must accurately represent their insurance status to organization members and outside entities. However, all co-funded activities and events, are to be considered College activities and events for insurance purposes unless otherwise agreed to in writing by the College and the student organization(s) involved.

Student organizations are allowed to independently seek insurance coverage for the benefit for their members.

Upon completion of the investigation, the Vice President responsible for Student Affairs will review the information regarding the alleged misconduct. In determining whether or not misconduct has occurred, the Vice President responsible for Student Affairs will use the preponderance of evidence standard of proof. A preponderance of evidence means that it is more likely than not that misconduct occurred.

Upon completion of his or her review, the Vice President responsible for Student Affairs shall issue a finding that:

1) The alleged misconduct is not substantiated and no further action is necessary; or
2) The alleged misconduct is substantiated and sanctions will be levied against the student organization.

If the misconduct is found to be substantiated, the Vice President responsible for Student Affairs shall determine the appropriate sanction to be levied against the organization. In determining the appropriate sanction, the Vice President responsible for Student Affairs should consider the nature and severity of the misconduct; whether the student organization self-reported the misconduct; the willingness of the student organization to take responsibility for the misconduct; the level of cooperation received from the student organization in the investigation; and any other relevant facts.

The Vice President responsible for Student Affairs shall notify the College President, the leadership of the student organization, and the national organization, if any, of his or her findings in writing. If the misconduct is found to be substantiated, the notice shall include the sanctions to be levied against the organization and the student organization’s right to appeal the decision to the College President.

If it is determined that the organization’s recognition is revoked, the notice shall state a specific period of time that must lapse before the organization can reapply for recognition and what actions must be taken prior to its application.

Action taken against the student organization does not preclude the College from taking disciplinary action against individual students pursuant to Board Policy 3100.
Appeal

A student organization may appeal a finding of misconduct and/or the sanctions imposed by the Vice President responsible for Student Affairs by submitting a written request for review including the grounds for the request to the College President within ten (10) days of the date of the decision.
