**ACTION:** Approve Revisions to Board Policy 6008; Collection of Delinquent Debts; Writing Off Bad Debts and Board Policy 6022; Income; Systemwide Fees; Individual College Fees and Deletion of Board Policy 6009; Withholding Registration, Transcripts and Diplomas from Students Owing Debts and Board Policy 6020; Student Tuition/Fee Deferment

Policy 6008 is proposed for revision in line with the new System Student Account Guidelines. In addition, Policy 6009 on withholding registration, transcripts and diplomas due to outstanding debt and Policy 6020 on Student Payment Plans are being blended into Policy 6008 with proposed revisions.

Finally, Policy 6022 on Student Fees has revisions to include a consistent Late Payment Fee at all three Colleges, as well as a consistent Reinstatement Fee. These changes are also in line with the new Student Account Guidelines.

These proposed changes are the result of the Board’s and the Chancellor’s request to make student account practices more consistent. Such changes will assist students who are taking classes from more than one of our Colleges. Also, the time it takes to write-off charges on student accounts has been decreased significantly, with a goal to continue to look for ways to shorten that timeline.

The System Office recommends approval of the Revisions to Board Policies 6008 and 6022 and Deletion of Board Policies 6009 and 6020.

BOARD POLICY

COLLECTION OF DELINQUENT DEBTS

At the end of each semester, the College will make collection efforts internally and then through a collection agency contracted by the System in accordance with System Student Account Guidelines.

The President of each College is granted the authority to file suit for the collection of delinquent accounts, on behalf of the Board of Trustees, after appropriate preliminary steps have been taken to collect on those accounts.

WRITING OFF BAD DEBTS

At the end of each fiscal year, and no later than September 30, each College shall prepare a listing of uncollectible accounts for write-off and present such listing to the Board of Trustees, requesting authorization to write-off the identified bad debts, which shall be approved in writing by the Vice President for Administration and Finance (VPAF). Additional write-offs may be made during the year with the written approval of the VPAF and in accordance with System Student Account Guidelines.

When submitting the uncollectible accounts, each College will verify that all bad debts on the list are over two (2) years old and that the following collection efforts have been performed for any bad debt exceeding one hundred dollars ($100):

1. Letter/telephone call/personal visit with debtor; and
2. Identified accounts have been placed in the hands of qualified collection agencies.

Information to be provided to the Board shall include the following:

1. Name of person with the delinquent account;
2. Date of last activity in the account; and
3. Amount of uncollectible debt and the fund and account to which it is owed.

In the case of bad debt of one hundred dollars ($100.00) or less, collection efforts must include, at a minimum, two (2) attempts by letter, telephone call, or personal visit with the debtor.

In the event that bad debt from an International Student will not be accepted by a collection agency, collection efforts must include, at a minimum, two (2) attempts by letter, telephone call, or personal visit with the debtor.

WITHHOLDING REGISTRATION, TRANSCRIPTS AND DIPLOMAS FROM STUDENTS OWING DEBTS

Each President is authorized to refuse to register a student who has an overdue debt owing to any of the Colleges in excess of $200.00.

Transcripts and diplomas may be withheld from any student who owes tuition, fees, room, board or other miscellaneous charges at any of the Colleges.
If the College President has waived any portion of this policy, the College shall submit an annual report of those waivers to the System Office. The report shall include the rationale used for allowing each waiver and provide information on the arrangements agreed to for taking care of the overdue payment.

**STUDENT TUITION AND FEE DEFERMENT**

The Board authorizes the State Colleges to provide a deferred payment plan. The plan must provide information on payment schedules and indicate all payment is due prior to the end of the semester of enrollment. Campuses should exercise due diligence in providing credit and every reasonable effort should be made to minimize uncollectible accounts.

If a College chooses to offer a deferred payment plan, such College shall develop written procedures defining eligibility criteria and administrative procedures necessary to implement this policy. Detailed information on the plan and repayment schedules shall be included on the College's website and be available in the business office at each College. The plan and procedures, and any subsequent revisions, must be filed with the System Office prior to implementation.

Such fees will ordinarily be for special privileges or services, materials furnished, or use of specialized equipment. Among such fees may be locker fee, laboratory fee, registration fee for special or readmitted students, materials fee, and others as may be assessed from time to time. Unless already established by Board policy or law, the desired fee shall be determined at the College level.
