ACTION: First and Final Round Approval of Deletion of Board Policy 4160, Degree Programs; Chadron State College, Board Policy 4170; Degree Programs; Peru State College and Board Policy 4180; Degree Programs; Wayne State College

Policies 4160, 4170, and 4180 currently provide a comprehensive list of each college’s academic program offerings. Updates to these lists occur as new program proposals and elimination of current programs are approved by the Board; therefore, Board action occurs through each individual program proposal, rather than these policies. In order to remove a redundant action by the Board through annual updates to these policies, the elimination of these policies is proposed. Academic program offerings will instead be provided on the NSCS website and updated each July, based on the actions of the Board the previous academic year, to ensure continued access to these program lists.

The System Office recommends approval of the Deletion of Board Policies 4160, 4170 and 4180; Degree Programs.
