Increased costs include those for adjuncts and overloads to provide additional courses, as well as related supplies and expenses for the additional students and courses. The other $95,000 is due to increased support beyond what was initially anticipated for the Nebraska Opportunities Grant (NOG) program, the Nebraska Department of Educations (NDE) Excellence in Teaching
and the Access College Early (ACE) awards.

Base adjustments related to both enrollment and the increased scholarship support are included for fiscal year 2020-21 in the Distribution of Funds board item.

These proposed actions are intended to assure that the revenue bond programs remain fiscally stable in light of the challenges caused by the pandemic.

An update on revenue bond program planning will be provided at the meeting.

### 4.4 Approve Distribution of Funds for 2020-21

Board Policy 7001 provides for the allocation of operational funds to the State Colleges and the System Office. The proposed Distribution of Funds is included with this item.

The General Fund appropriation for FY 2020-21 is $55,527,357, which is contained in LB 294(2019). This is an increase of $1,978,411 (or 3.7%) from the FY2019-20 general fund base.

The Cash Fund (est.) appropriation is adjusted for tuition and fee rate increases, as well as for any enrollment changes at the Colleges. The budget for NeSIS Operations, which flows through the System Office Cash Fund, is decreased by $7,262 for FY 2020-21.

The final adjustment line shown to the Cash Fund (est.) appropriation
was added last year to build an amount into each College's base budget for scholarship awards received during the year from state agencies such as the Coordinating Commission for Postsecondary Education (CCPE) and the Nebraska Department of Education. Each College has previously requested increases to its cash funds each time awards for students are received. Building an estimated amount into the base appropriation reduces the administrative burden of requesting smaller changes throughout the year not only for the Colleges, but also for the Department of Administrative Services budget office. This also provides a more appropriate base amount in the Cash Fund base budget established by the Board. The base amount built into each College's Cash Fund budget is included in NOTE 2 on the Distribution of Funds.

The Total of the General Fund appropriation increase and the Cash Fund tuition increase are just enough to cover the core needs requests of each College and the System Office for FY 2020-21.

The Revolving Fund (Revenue Bond) Operations and Maintenance amounts are based on the FY 2020-21 preliminary revenue bond operating budgets, which are on the agenda for Board approval.

The Federal Fund appropriation reflects preliminary projections from the Colleges. Additional adjustments may be made to the Federal Funds appropriation as needed by the Colleges during the fiscal year.

A motion to approve the Distribution of Funds for 2020-21 was recommended by the committee to the full Board, which approved the motion. Voting AYES: Bieganski, Chaney, Engles, Peterson, Blomstedt, and Zeiss.

In response to the coronavirus pandemic, the Legislature has been temporarily suspended until further notice. As a result, action on pending items for the NSCS will not be known until the legislature resumes activity and takes action on the budget. These pending items include the career scholarships and the partnership initiative between Peru State College and the Department of Corrections. Once more is known about the budget for FY2020-21, updates can be provided on the biennium budget request for 2021-23.

Student Trustee Reports

WSC Student Trustee VanMeeteren noted that WSC had put forward strong efforts in connecting with students and providing them with the necessary resources needed to complete the school year. A survey was sent to students in March to garner feedback on student needs regarding wifi, campus conditions and student involvement. A mentor program has been implemented that allows staff to check in with students on a more personal level.

Mental health has become a serious concern due to the COVID-19 pandemic. The Counseling Center is communicating with students about how to handle stress and keep a calm mind. Along with communicating with students via social media, the Counseling Center is still offering students the chance to meet with counselors.

WSC is also offering virtual field trips to the Omaha Zoo, free yoga classes a Magic Night and Live Fridays with Dr. Rames, CD Douglas and others. The College is also offering Virtual Visitation Days for new incoming students.

WSC Student Trustee VanMeeteren thanked Wayne State, the Board and System Office for the endless opportunities she was offered and constant support. She indicated that being the student trustee had been a humbling and rewarding experience.

PSC Student Trustee Myers noted that Peru had implemented the Peru Academic Liaisons (PALs) to contact students during this time. In this program more than 40 staff members had been paired with over 800 students to allow them to stay connected to the College, link students to supports on campus and provide students with encouragement.

To show support during Sexual Assault Awareness Month, PSC held different activities including Chalk the Walk; Talk It – Walk It video, a digital version of the PSC Walk a Mile in Her Shoes event; and National Teal Day when folks were encouraged to wear teal and show their support on social media.

PSCs Phi Beta Lambda group had 24 students participate in the virtual state leadership conference. The group came away with 9 first place winners and twenty (20) students that automatically qualified for the virtual national conference. Other events collectively brought over 1,400 students and teachers to the PSC campus included the 25th Annual Dr. Seuss Day, 36th Annual History Day competition and the 47th Annual High School Business Contest.

PSC Student Trustee Myers thanked everyone for her time as a student trustee.

CSC Student Trustee Klammer noted that the transition to the COVID-19 requirements went very well at Chadron State. The CSC Student Senate met to allocate money to the food pantry on campus. The food pantry gave away at least 100 bags of food to students.

The annual Big Event was held virtually for participating students and staff. Students were asked to do something for someone and video it. Other students also worked on cleaning Kings Canyon.

At least once a day a Virtual Tour is being held at CSC for new students.

CSC Student Trustee Klammer thanked everyone for the opportunity to serve as the Student Trustee for Chadron State.
Trustee Engles thanked the student trustees for their service. They all learn the ins and outs of leadership while serving. A past student trustee, Dawson Brunswick, is the Director of the McCook Chamber of Commerce and is also running for a seat on the McCook City Council. The students also are a great addition at the Senator’s Reception as senators enjoy talking with the students.

Adjournment

The meeting was adjourned at 11:14 AM
