A motion to approve the Board Nominating Committee Report and Election of Officers was recommended by the committee to the full Board, which approved the motion. Voting **AYES:** Bieganski, Chaney, Engles, Peterson, Blomstedt, and Zeiss.

ii. Student Trustees’ Reports

CSC Student Trustee Klueber noted he wanted to begin by expressing how excited he was to work with each and every one of the individuals who sit on the board, as well as get to know each of them better. He is excited for the opportunities that are ahead for this upcoming year! He has been extremely pleased with how the college system has responded to the craziness of the world these last few months. From leaving the campuses, to attending classes online and preparing for a return to campus, he has seen such a flexible community and true desire to find ways to overcome these adverse times. As an ambassador for Chadron State College, he spent
the first half of the summer working to provide opportunities for potential future students to still see what the college has to offer. From virtual tours online, to sending mail with CSC merchandise, the college has been taking steps to adapt. He is extremely excited about the opportunities that are ahead for the college system and cannot wait to be back on campus doing the things we all love most!"

PSC Student Trustee Harms indicated the Peru Academic Liaisons (PALS) program was started after an orientation on March 20th. PALS had weekly Monday meetings via Zoom to talk about updates on students. If there was ever a nonacademic concern with a student, an alert was made on Bobcat 360. After the PALS talked to their students they would complete forms, also through Bobcat 360, that would give information on the interactions. During the remote learning period PALS logged 7,036 Bobcat 360 entries for 816 students. Thanks to the PALS program and the amazing faculty and staff at Peru, even though we were learning remotely we still remained a community through virtual events such as “virtual study hall” for those who learn better together, and several events in April for sexual assault awareness month. One of which, students, faculty, and staff could all take pictures and tag it #CatsforConsent to show support for sexual assault awareness.

WSC Student Trustee Jaixen noted the implementation of the COVIC-19 Honor Code: Building a Supportive Community provided the College's goal to build and maintain a campus culture that follows the recommendations and guidelines regarding public health to create a safe and welcoming community for our students, staff, and faculty. The focus is on four pillars of hygiene, masks, social distancing and self-screening which makes the students think about themselves and other students in their residence halls and also makes them more accountable for their actions. She also thanked the Board for approval of the Benthack Hall renovation which will provide great opportunities for future students and is a great step up for the future of the Family and Consumer Sciences program.

**Adjournment**

The meeting was adjourned at 2:44 PM
