BOARD POLICY

It is the policy of the Board that financial assistance be made available to all qualifying students. In some instances, such assistance may be provided as tuition remission and/or waivers. Tuition remission represents a form of financial aid in which the College waives or foregoes all or a portion of a student’s tuition charges. Tuition remission represents foregone revenue to the College and should be used strategically to attract students based on academic performance, financial need, and/or other skills or attributes that will enhance the student body. For the purposes of this policy tuition remission is considered distinct from a scholarship or grant-in-aid funded through other means than tuition and fee revenue.

All of the programs described below are tuition remission programs, although the terms “scholarship” or “award” may be used interchangeably by the Colleges with the term “remission” or “waiver” because it is a term that has meaning to prospective students and their families.

Beginning in fiscal 2019-20 total remissions for all categories/programs, unless specifically excepted and approved by the Chancellor generally shall not exceed twenty-two percent (22%) of the College’s four-year average gross tuition. Remissions may be awarded up to the limits specified (if any) in each individual category below. Remissions provided on behalf of one of the other state colleges as part of a Joint Enrollment course are outside of the twenty-two percent (22%) limit. Nothing herein shall prohibit the creation of additional tuition remission programs which are outside of the twenty-two percent (22%) limit with the approval of the Chancellor.

For each term, the total of all tuition waivers provided by a College to an individual student cannot exceed the amount of tuition charged to that student. Any tuition waivers outside the enumerated categories or beyond the limits specified in this policy require the written approval of the Chancellor. Tuition remissions awarded for online courses will not exceed the comparable amount provided for an on-campus course for a resident student. Unless otherwise stated herein or required by bargaining agreements, tuition remission and/or waivers apply to any academic session offered during the fall and/or spring terms during the applicable academic year.

SYSTEM REMISSION PROGRAMS

System remission programs include waivers with common eligibility guidelines and parameters established across all Colleges. For certain programs, Colleges are afforded the opportunity to determine the number and award amounts. In all other situations, approval is required from the Chancellor to deviate from system remission programs or those that are bound by system program agreements with external partners.

Board of Trustees’ Scholarships

The Board of Trustees' Scholarships are awarded by each College to students who are graduating from a Nebraska high school or who are residents of Nebraska who meet the following criteria:

1. Have standardized test scores of at least 25 for the ACT or 1200 composite for SAT;
2. Are enrolling for the first time in a postsecondary institution; and
3. Such other factors which may be considered including grade point average and rank in class as appropriate.

The number of new Board of Trustees’ scholarships to be awarded by each College for each academic year is based on the full-time equivalent (FTE) enrollment at that College for the fall semester of the preceding academic year. Each College may award up to twenty (20) scholarships for the first one thousand (1,000) FTE students and one (1) additional scholarship for every two hundred (200) FTE beyond one thousand (1,000) for each academic year. The number of scholarships offered should be determined by each College based on the number of scholarships available and the yield experienced in prior years.
The scholarships are not transferable from one College to another. The scholarship will be the waiver of resident tuition up to eighteen (18) credit hours per term not to exceed one hundred twenty-eight (128) credit hours. Each President, financial aid officer and/or scholarship committee shall act as an agent of the Board in administering the program as directed by the Board.

The scholarship is renewable to the total value of the equivalent of eight (8) consecutive terms (excluding summer). The recipient may use the scholarship during the five (5) academic years following the initial use with a one (1) year delay in initial use allowable with the College’s permission. Should original recipients stop out for a term or academic year before using the full value of the scholarship, the balance of the scholarship's value may be re-awarded.

Board of Trustees’ scholarships are renewable each academic year, provided the recipient maintains a 3.25 GPA and standards are met. The Chancellor may approve a waiver of this requirement for extenuating circumstances for an individual student on a one-time basis. Each College scholarship committee will review all renewal candidates and recommend action to the President.

**Governor’s Opportunity Award**

The Governor’s Opportunity Award is awarded by each College to one (1) resident student annually who graduated from a Nebraska high school or is a Nebraska resident and meets the following criteria:

1. Has a standardized test score of 21-24 for the ACT or 1060-1190 composite for SAT; and
2. Is enrolling for the first time in a postsecondary institution.

One (1) student from each College is provided this award each year. The award is not transferable from one (1) College to another. The award will be a waiver of one-half of resident tuition for four (4) years (up to eighteen [18] credit hours per semester up to a maximum of one hundred twenty-eight [128] hours toward an undergraduate degree.) The Governor's Opportunity Award is renewable each academic year, provided the recipient maintains a 3.25 GPA and standards are met. The President may approve a waiver of this requirement for extenuating circumstances for an individual student on a one-time basis. Any waivers granted must be reported to the Chancellor. No new awards will be made after the 2019-20 academic year and this program will sunset. All awards made up to and including the 2019 academic year will be honored consistent with the terms of this policy.

**NSCS Advantage Program**

The NSCS Advantage program is a system effort designed for students who enroll at one (1) of the Colleges as new first time freshmen and receive a federal Pell Grant. This program assures that qualified students will pay no tuition at any of the Nebraska State Colleges. Each participant in this program must:

- Be a Nebraska Resident;
- Receive a federal Pell Grant;
- Enroll as a new first-time freshman at one (1) of the Colleges; and
- Be enrolled in at least twelve (12) on-campus credit hours.

The award is limited to a maximum of sixteen (16) credit hours per semester. Additional limitations are in place for the award of any remissions for online courses taken in addition to the twelve (12) on-campus credit hours. No new awards will be made after the 2019-20 academic year and this program will sunset. All awards made up to and including the 2019 academic year will be honored consistent with the terms of this policy.

The award is not available for transfer students. A high school student who earns college credit while in high school is considered a first-time freshman when he or she enrolls at one of the State Colleges following high school graduation.
Participation is renewable for students as long as they meet the above criteria during all semesters they receive a Pell Grant. Continuation in the program requires the student to remain a federal Pell Grant recipient and continue to enroll in at least twelve (12) on-campus credit hours.

For eligible participants, the program provides the difference between the cost of tuition and the amount of all other awards. Other awards include, but are not limited to: Pell, Supplemental Educational Opportunity Grant (SEOG), Nebraska Opportunity Grant (NOG), institutional waivers, and foundation scholarship assistance.

**Employee Tuition Waivers**

The employee waivers provide tuition waivers for one (1) course for each term to eligible employees. See Policies 5102, 5103 and 5104 and Collective Bargaining Agreements for details.

This remission is offered on a space available basis only, but may be used at any College during any term, including the summer term.

RHOP is a cooperative program between the University of Nebraska Medical Center (UNMC) and the Colleges to provide tuition waivers for selected students accepted into RHOP as determined in the program agreement. Selection of participants is determined by representatives of UNMC and the Colleges.

**COLLEGE-DIRECTED REMISSIONS**

College directed remissions provide the colleges flexibility in managing waivers for targeted student populations. Each College shall establish: 1) minimum guidelines and requirements for any additional remissions; 2) requirements for remaining in good academic standing; and 3) any renewal requirements for students. Policies and procedures for these awards shall be set by each College, approved by the President, and reported to the Chancellor. These College directed tuition remissions may apply to any academic session offered during the fall and/or spring terms during the applicable academic year as determined by the College, unless specifically stated herein. For reporting purposes, each of the categories below shall be used for tracking.

**Corporate and Business Partnership Incentive**

Tuition remission provided to employees of Corporate and Business Partners taking online courses as part of an agreement approved in advance by the Board of Trustees. Colleges considering such an agreement must obtain approval from the Chancellor in advance of any discussions with potential partners.

**Athletic Waivers**

Waivers made to athletes participating in varsity and junior varsity sport sanctioned through the conference or athletic association to which each College belongs. The Colleges, based on funding available, may award no more than thirty percent (30%) of their remissions toward athletic scholarships. A College may, with the Chancellor’s approval, increase its athletic waivers up to the maximum allowed by the conference or athletic association to which each College belongs. Full or partial waivers to male or female athletes, residents or nonresidents, may be made at the discretion of each College within funding limits. Student athletes receiving renewable awards must maintain GPA requirements of the conference or athletic association.

**Graduate Assistantships**

The Colleges may provide a stipend established by the College and adjusted as necessary, in addition to a waiver of up to eighteen (18) hours of tuition per academic year, depending upon workload and term of appointment, to a student while employed as a graduate assistant. The purpose of the waiver is to encourage outstanding community college graduates to attend a State College. The waivers are renewable each academic session, provided the recipient maintains a 3.25 GPA at the College. The waivers are equal to the basic tuition rate up to a maximum of sixty-four (64) credit hours toward the baccalaureate degree.

Special Activity Waivers

College waivers made to attract students who have talent in activities other than varsity and junior varsity sports, including but not limited to, music, art, theatre, or journalism.

Other Discretionary Waivers

Waivers developed by each College to provide opportunities for its students. Examples include Presidential Scholarships, the Peru State One Rate Any State waiver, and Senior Citizen waivers.

EXTERNAL REMISSION PROGRAMS

The State College System provides tuition remission through partnership with external entities who establish the eligibility requirements for entry and maintenance. Additionally, a number of state statutes require tuition remission for specific subsets of students with unique characteristics or attributes. Although no external support is provided to offset the tuition waiver, Colleges are obligated to grant waivers for students participating in the external remission programs outlined within this section.

**Yellow Ribbon GI Education Enhancement Program (Yellow Ribbon Program)**

The Nebraska State College System is to provide tuition (and fees) assistance to eligible military veterans through the Yellow Ribbon Program. This waiver is available for fall, spring, and summer terms during the applicable academic year.

**Family of Deceased or Disabled Veterans (tuition and fees waiver)**

Effective beginning with the 2013 Fall Term, in addition to the tuition remission, the Colleges shall waive all fees remaining due after subtracting awarded federal financial aid grants and state scholarships and grants. This waiver is available for fall, spring, and summer terms during the applicable academic year. Remission recipients must have a parent, stepparent, or spouse who was a member of the United States armed forces who:

The In the Line of Duty Dependent Education Benefit is established for children of law enforcement officers and firefighters killed in the line of duty on or after April 23, 2009. The benefit is for full-time undergraduate students pursuing a baccalaureate degree. The Colleges will waive tuition and fees remaining after the application of federal financial aid grants and state scholarships and grants awarded to the eligible dependent. This waiver is available for fall, spring, and summer terms during the applicable academic year. To remain eligible, the dependent must comply with all requirements of the institution for continued attendance and award of a baccalaureate degree. Verification of dependent eligibility is also made by obtaining a certificate of eligibility. Dependent eligibility includes children of members of emergency medical services ambulance squads that are not associated with a paid or volunteer fire department.
Law Enforcement Education Waiver

This remission program is provided to eligible law enforcement officers, pursuant to the terms of LB906 (2016). Those who qualify are entitled to a credit of 30% of tuition charges after subtracting awarded federal financial aid grants and state scholarships and grants. This waiver is available for fall, spring, and summer terms during the applicable academic year. For purposes of the program, a law enforcement officer is any person who is responsible for the prevention or detection of crime or the enforcement of the penal, traffic, or highway laws of the State of Nebraska or any political subdivision of the state for more than one hundred (100) hours per year and who is authorized by law to make arrests.

A law enforcement officer interested in the program is required to complete an application form and must provide a certificate verifying his or her satisfactory performance in accordance with LB906 (2016) as part of the application.

LB906 states that to qualify for the waiver, the law enforcement officer must be pursuing a baccalaureate degree program related to a career in law enforcement. The NSCS believes that all of its baccalaureate degree programs would benefit law enforcement officers in furtherance of their careers; and therefore, the tuition waiver can be applied toward any baccalaureate program whether the officer is enrolled full or part-time.

A law enforcement officer must comply with all College requirements for continued attendance. The officer may receive the waiver for up to five (5) years if he or she otherwise continues to be eligible for participation. The officer must reapply for the waiver annually.

Within forty-five (45) days after receipt of a completed application, the College shall give the officer written notice of his or her eligibility or ineligibility for the tuition waiver. If the officer is determined not to be eligible for the tuition waiver, the notice shall include the reason or reasons for such denial and the procedure for seeking reconsideration of the decision by the President. A copy of the notice shall also be sent to the President and the Chancellor.

An officer seeking reconsideration of a denial, must send a letter to the President within ten (10) business days of the date of the denial. The President shall provide written notice of the decision to the officer. If the President determines that the officer is not eligible for the waiver, the notice shall include the reason or reasons for the denial and the procedure for appealing the decision to the Chancellor. A copy of the notice shall also be sent to the Chancellor.

An officer seeking to appeal a denial, must send a letter to the Chancellor within thirty (30) business days of the date of the denial. The letter must include the reasons the officer believes the denial to be in error.

The Chancellor shall provide written notice of the decision to the officer consistent with the requirements set forth in LB906 (2016). If the Chancellor determines that the officer is eligible for the tuition waiver, the tuition waiver shall be provided as if the original application had been approved.

REPORTING

The Colleges shall report to the Chancellor by October 15 of each year the number of waivers granted and the waivers amounts for each of the categories established within this policy. In certain circumstances the academic standing (freshman, sophomore, junior, senior) may also be requested for specific waiver types. The Chancellor shall provide a summary of remissions to the Board.
