ACTION: **Approve Professional Development Tuition Rate**

Below is the academic year tuition schedule that was approved in June 2021, with the proposed Professional Development Tuition rate added. The rate will be inclusive of all fees, except that new students will pay the matriculation fee of \$5.00 and a \$10.00 processing fee.

The \$75.00 rate can be offered because the cost of instruction will be covered by the partner organization.

The colleges will need to allocate the equivalent of the Capital Improvement Fee to that fund from each credit hour generated.
