## BOARD POLICY

Faculty and professional staff shall be issued annual contracts specifying salary and other terms and conditions of employment in accordance with Board policies and/or applicable collective bargaining agreements on the contract form approved by the System Office. Employment contracts must be signed by the President or Chancellor and be reported to the Board. Employment warranties or other special conditions in employment contracts that violate Board Policies or collective bargaining agreements shall not be allowed.

Each person appointed to a faculty or professional staff position shall be designated as having one of the following types of appointments:

1. **Special Appointment.** Appointments that are not "Specific Term Appointments" shall be "Special Appointments." The following types of appointments to faculty or professional staff positions shall be filled by Special Appointment only:
  - a. Any appointment, including temporary or interim appointments for less than one (1) academic year (faculty appointments) or fiscal year (professional staff appointments);
  - b. Appointments to part-time positions (less than .75 FTE);
  - c. Appointments to volunteer status;
  - d. Appointments to lecturer;
  - e. Appointments to "visiting" faculty (a scholar who provides teaching or research in their area of expertise for less than one (1) academic year);
  - f. Appointments of graduate assistants (up to an academic or fiscal year); and,
  - g. Appointments supported by funds over which the College does not have control or which the College cannot reasonably expect to continue indefinitely.

A "Special Appointment" shall terminate in accordance with the time stated in the written contract or with ninety (90) days written notice by either party. If no time is stated in the written contract, the appointment may be terminated by either party giving the other at least ninety (90) days written notice of the date of termination. Special Appointments may also be terminated prior to the expiration of the contract term for cause, discontinuance, reduction or curtailment of a program or department, or financial exigency according to Board Policies. No advance notice shall be required in the event of dismissal for cause prior to the end of the appointment term.

Every "Special Appointment" is a non-tenure, non-ranked position and carries no presumption of reappointment beyond the termination date.

A member of the faculty or professional staff may hold a "Special Appointment" coincident with a "Specific Term Appointment," and the terms of the "Special Appointment" may be independent of the terms of the other appointment status.

2. **Specific Term Appointment.** A "Specific Term Appointment" is a professional staff or faculty appointment for a term of one academic or fiscal year. Faculty appointments will be designated as either "Probationary/Tenure Track Appointment," "Tenured Appointment," or "Non-Tenure Track Appointment." No advance notice shall be required in the event of dismissal for cause prior to the end of the appointment term.

Contracts may be renewed at the discretion of the Chancellor. Such renewal shall be for an additional one (1) year period with a salary level determined for the upcoming year. Written notice of non-renewal shall be given by June 30 prior to the final contract year. No advance notice shall be required in the event of dismissal for cause prior to the end of the appointment term.

Reappointment and non-renewal notice requirements for faculty covered by the SCEA bargaining unit are contained in the current NSCS-SCEA Bargaining Agreement.

For purposes of determining non-renewal notice periods, years of employment refer to years of employment in specific term appointments. Specific Term Appointments may also be terminated prior to expiration of the contract term for cause, discontinuance, reduction or curtailment of a program or department, or financial exigency according to Board Policies.
- b. Written notice of intent not to renew appointments for Head Coaches shall be given at least thirty (30) days prior to expiration during the first year of employment, or three (3) months prior to expiration during the second or subsequent years of employment in a full-time position. For purposes of determining non-renewal notice periods, years of employment refer to years of employment in specific term appointments. Specific Term Appointments for Head Coaches may also be terminated prior to expiration of the contract term for cause, discontinuance, reduction or curtailment of a program or department, or financial exigency according to Board Policies.
- c. A written notice of intent not to renew shall be signed by the President, Chancellor or the Chair of the Board of Trustees. Notice shall be deemed to have been properly given by personal delivery or if mailed to the employee's home address, as reflected by the records of the College or System Office, by certified mail with sufficient postage attached.
- d. Failure to provide the required notice period shall not result in automatic reappointment or create any right to reappointment for an additional term. The employer shall have the option of providing employment or severance pay in lieu of any portion or all of the notice to which the employee is entitled, so long as the extension of employment or severance pay is commensurate with the notice to which the employee is otherwise entitled.

Tenured faculty members who accept an employment appointment to a professional staff position, other than Academic Dean, may be contractually granted the right to return to his or her tenured faculty position, at the discretion of the President, for a maximum of two (2) years. If the President offers such a right to return in an employment contract, the College shall only be allowed to refill the faculty vacancy with special appointments until the right to return period has expired. If the professional staff member does not exercise the right to return to his or her tenured faculty position within the two (2) year period, he or she will be deemed to have relinquished all future rights to return to tenured faculty employment. At a President's approval and subsequent request to the Chancellor, an extension of the two (2) year time period may be granted by the Chancellor due to extenuating circumstances.
