

BOARD OF TRUSTEES OF THE NEBRASKA STATE COLLEGES
CHANCELLOR AND COLLEGE INFORMATIONAL ITEMS

INFORMATION ONLY: **Remission Fund Award Report by Category**

In accordance with the Board's Tuition Remissions Policy 3400, the Colleges have provided the Chancellor with a summary of the remission funds awarded by category. Remissions are permitted by the state, allowing the NSCS to collect either no tuition or reduced tuition from students meeting specific criteria that are approved by the Board. The categories approved by the Board are spelled out in Board Policy 3400.

The first page of the attachment contains a summary by category of tuition remission awards for the entire System, comparing FY20 to FY21. Pages two through four breaks those remissions out by each College, continuing the comparison to the prior year. The last category on each of the first two pages is entitled "Other Discretionary Waivers". These discretionary waivers are broken out into more detail on the third and final page of the report for each College.

A revision to Policy 3400 was approved by the Board in September, 2019 to allow the Colleges greater flexibility in allocating the tuition remissions, beginning for FY20. The revisions also noted that beginning in FY20 total remissions for all categories/programs, unless specifically excepted and approved by the Chancellor, generally shall not exceed twenty-two percent (22%) of the College's four (4) year average gross tuition.

Historically, remissions have been the following percentage of gross tuition:

<i>Table 1:</i>				
<i>Historical Remission Percentages as a Reflection of Gross Tuition</i>				
<i>College</i>	<i>2017-18</i>	<i>2018-19</i>	<i>2019-20</i>	<i>2020-21</i>
<i>CSC</i>	21.7%	22.2%	24.5%	21.8%
<i>PSC</i>	18.0%	21.6%	23.7%	22.8%
<i>WSC</i>	21.2%	21.2%	21.4%	20.5%

This remissions report has been adjusted to reflect the changes in Board Policy 3400 for FY21. Beginning with the 2019-20 academic year, a remission bank was developed to allow institutions the capacity to draw upon unused remissions over the four (4) year period outlined within Board policy. These unspent remissions are monitored in the System office and used to determine the extent each College is within the established 22% limits. Table 2 below provides the unspent remission pool which can be applied to future years under the modified Board policy structure. Peru and Wayne State College have generated remission banks above \$60,000 over the past four (4) years.
