

MEMORANDUM OF AGREEMENT
between the
BOARD OF TRUSTEES OF THE NEBRASKA STATE COLLEGES
doing business as
WAYNE STATE COLLEGE
and
CENTRAL COMMUNITY COLLEGE

The AAS/BS-Technology Program (Program) is a joint program between the Board of Trustees of the Nebraska State Colleges doing business as Wayne State College (WSC) and Central Community College (CCC). The Program allows students to continue their education in industrial technology at WSC, leading toward a Bachelor of Science in Technology. A student enrolled in this Program will complete the AAS requirements at CCC, and by transferring all satisfactorily completed academic credits, enter WSC to study industrial technology leading to a Bachelor of Science in Technology.

This Memorandum of Agreement (Agreement) is designed to provide pathways for industry-ready graduates of CCC AAS programs to transfer credits seamlessly to WSC to further their education for employment potential and advancement in business and industry of their chosen profession. This partnership between WSC and CCC has the potential to strengthen the area workforce by retaining graduates who are highly trained in communications, business, and project management in professional careers in Nebraska.

Under the provision of the Agreement, WSC and CCC agree to the following conditions:

- 1) This Agreement describing the Program between WSC and CCC will be effective for five (5) years beginning on January 12, 2022 and ending on January 12, 2027.
- 2) WSC agrees to accept in whole the transfer of any CCC AAS degree toward the BS-Technology major.
- 3) Transfer courses will include content courses and required CCC general education courses as identified in the CCC catalog. Content courses will be included as a part of the WSC Technology major or as general electives.
- 4) Total credit hours required for a Bachelor of Science in Technology from WSC will total one-hundred-twenty (120) credit hours. The one-hundred-twenty (120) credit hours will include thirty (30) credit hours of general education, fifty-seven (57) credit hours of Technology major, and thirty-three (33) credit hours of general electives. A minimum of forty (40) credit hours of upper-level course work (three-hundred [300] level or above) must be completed from WSC. Students are encouraged to complete a majority of WSC's general education requirements through CCC prior to transferring. Remaining general education courses may be taken through WSC at the upper level as needed.
- 5) CCC and WSC will collaborate on recruitment, advising, and retention efforts that are mutually beneficial to both institutions. To assist prospective transfer students enrolled in the Program with their academic planning, students from CCC are strongly encouraged to work with an academic advisor at WSC and an academic advisor at CCC. The names and directory

information of CCC students pursuing AAS programs and interested in the WSC pathway will be provided to the WSC Admissions Office to facilitate advising and registration. Supplemental advising sheets and articulation materials will be shared between institutions and distributed to students as an advising tool.

- 6) WSC will meet annually with CCC officials to review this Agreement.
- 7) WSC will allow students entering the Program to complete the Program under the Agreement in effect at the time of their Program initiation or select the current Agreement, but only one can be declared.
- 8) Students entering the Program will be allowed to complete the Program under the degree requirements listed in the WSC Catalog in effect at the time of their Program initiation.
- 9) Students enrolled in this Program will, by transferring all satisfactorily completed academic credits at CCC identified by an AAS Program of Study within the Program, enter WSC with junior standing.
- 10) WSC will allow no more than eighty (80) semester hours of degree-applicable transfer credit from CCC to apply to the Program. Acceptable hours include AAS content and general education courses, plus additional coursework taken to fulfill WSC general education requirements.
- 11) Students transferring to WSC from CCC must have a minimum cumulative grade point average of C (2.0 on a 4.0 scale). Courses with a grade below C- will not be accepted.
- 12) Students who transfer from CCC will present credits for transfer evaluation in accordance with WSC requirements. The evaluation of courses taken at other institutions toward fulfillment of WSC requirements will be assessed for WSC equivalency.
- 13) Students transferring into WSC must meet WSC's admission standards. Admission standards are printed in the WSC Catalog and posted online at the following URL: <https://www.wsc.edu/catalog>
- 14) Transfer students from CCC will have the opportunity to apply for WSC transfer student scholarships.
- 15) Transfer students from CCC are eligible to be included on the WSC Dean's list each semester by obtaining twelve (12) WSC semester-graded hours with a minimum grade point average of 3.5 or above.
- 16) A description of the Program will be printed in the WSC Catalog and posted online at the following URL: <https://www.wsc.edu/catalog>
- 17) Amendments to this Agreement will be documented in writing and signed by both parties.
- 18) This Agreement may be terminated by either party upon ninety (90) days' written notice to the other party.

19) The designed representative of the parties for the purpose of monitoring the oversight of this Agreement are:
