C. POLICY

1. Approval of Travel

1.1. Supervisor Approval

All travel must be approved in advance by the immediate supervisor and by the designated financial approver.

1.2. Travel Outside the United States

No expenditure for traveling expenses outside the United States shall be allowed unless approval for such trip shall first be granted by the President or Chancellor or their designee. Each President and Chancellor are responsible for determining authorized designees, if any.

2. Travel Expense Claims

2.1. Information Required for Claim

Whenever any person is entitled to be reimbursed for travel expenses incurred in the line of duty, they shall be required to submit a claim with all necessary documentation. For most travel claims, the travel management system will be used to document the travel and should include all receipts. For situations where the travel management software is unable to be used, a travel reimbursement claim with all receipts included must be approved by the supervisor and submitted to the accounting department for audit and payment. Information necessary to process a travel claim will include:

- Date(s)

- Purpose of travel
 - Start and end times of travel
 - Name and location of lodging documented with receipts
 - Meals provided
 - Other miscellaneous reimbursable expenses documented with receipts
- 2.2. The request for reimbursement must be submitted not later than sixty (60) days after the final day on which expenses were incurred for which reimbursement is sought.

2.3. Travel Expenses Covered by College Foundations

When a person, other than Presidents or Chancellor or Foundation employee, is entitled to be reimbursed for travel expenses from funds held by the Foundations, the College or System Office will establish procedures to pay approved travel costs and seek reimbursement from the Foundation.

Travelers, other than the Presidents, Chancellor, or any employee assigned to work in the foundation office, shall not submit reimbursements for travel expenses directly to the college foundations; and no such payments shall be made from the college foundations to travelers.
