First and Final Round Approval of Revisions to Board Policy 6024; Income; Non-State Funds

Board Policy 6024 - Income: Non-State Funds has been reviewed for updates and put into the new policy format. The policy number is being changed to 6704 so it is with other income sources. The only substantive change is a clarification that grant applications should be sent for Chancellor review prior to submittal of the application whenever possible and not wait for the next board mailing. Further, no grants can be accepted without Chancellor approval or Board approval where there is on-going financial impact or commitment.

The System Office recommends approval of the Revisions to Board Policy 6024; Income; Non-State Funds.
