AN EMPLOYABLE CHOICE

Freshman year

- Participate in a freshman living-learning community.
- Learn the foundations of cooperative education and career readiness
- Learn and demonstrate the competencies desired most by employers
- Network with business leaders in Norfolk, Grand Island, or Columbus

Sophomore year

- Participate in a sophomore living-learning community
- Work on soft skill development while employer engagement continues
- Opportunities for professional development and upskilling
- Mentor incoming program freshmen

Junior year

- Continue soft skill and career readiness development with Career Services
- Participate in mock interviews and job interviews and engage with businesses
- Collaborate with employers, faculty, and co-op director to define learning outcomes
- Have an employer hire and mentor you, and begin the senior year onboarding process

Senior year*

- Transition to co-op employment in Norfolk, Grand Island, or Columbus
- Work up to 30 hours per week and "learn by doing" with hands-on experience
- Collaborate with the co-op director and employer to ensure learning objectives are met
- Have regular meetings with the co-op director and complete mid-term and final reflections

***Students are in paid positions during year 4**
