Chadron State College, 1994 Bonds Rebate Calculations

The Board was informed that Berens-Tate Consulting Company of Omaha, NE had prepared an arbitrage report for the 1994 Chadron State College Bonds as required by the Internal Revenue Service. The report indicated that there were no positive arbitrage rebate earnings. Therefore, no payment is due and no filing with the Internal Revenue Service is necessary at this time. Another calculation should be done at the ten-year anniversary of the bond’s issuance date (March 31, 2004) unless the bonds are refunded, in which case a calculation will need to be done within 60 days of the retirement date.

Location Change for Revenue Bond Trustee

The Board was given notice that the revenue bond trustee, Norwest Corporate Trust Services’ Trust Department Office that serves the State Colleges and the Nebraska State Colleges Facilities Corporation, has moved from Omaha to Des Moines, IA, in a consolidation with the Wells Fargo Corporation. A representative will attend the June 25 Board meeting to inform Board members about the Trust Services that Norwest Bank Iowa will be providing to the State College System.
